Where learners meet the eligibility criteria, the residency criteria and one or more of the criteria above they are eligible for a bursary of up to £1,200 (which is calculated on a pro-rata basis where appropriate). Full time is defined as 5 days for 30 weeks (teaching weeks) or more.

Where a learner meets the eligibility criteria for a vulnerable bursary, but their financial needs are already met (they have no relevant costs or they do not need the maximum award) there is a possibility of either a limited bursary or no bursary awarded.

The Vulnerable bursary can be claimed for each academic year the learner is in education or training, as long as they continue to meet the eligibility criteria.

The agreed standard for a learner's attendance would be expected to be 95% or above should a bursary be awarded. An exception to this may be in circumstances where a learner's health and/or medical needs impact upon their attendance, in which case discretion would be exercised at the Principal of College's authority.

Due to the nature of the learners special needs who attend the College it would be difficult to set a standard for behaviour / attainment that would be meaningful for all our learners.

Please complete the form in Appendix 1 and supply the necessary evidence so that the College can apply to the Education and Skills Funding Agency (ESFA) via the Student Bursary Support Service (SBSS) who will normally make a decision within two weeks. Applications should be submitted to the College by 30 June 2024 as the deadline for submission of a claim to Student Bursary Support Service (SBSS) to the ESFA is 31 July 2024.

3. Discretionary Bursaries

St John's College will administer the Bursary Fund awarded within the Education and Skills Funding Agency's (ESFA) Bursary Fund Guidelines.

The funding for 2023-2024 is £12,415.00.

This may be awarded on an identified needs basis to learners to help them overcome the individual barriers to participation they face such as essential books, equipment, specialist clothing, transport, meals⁷ and that meet the following assessment criteria:

⁷ The College Free Meals Policy provides an alternative way to apply for funding for meals and hence learners would be expected to apply for Free College Meals before applying for bursary funding.

Policy Owner	Executive Principal	Review Date:	September 2024
Policy No.	101e	Version No.	4

- Applicants must meet the eligibility criteria and the residency criteria
- Evidence of household income below the appropriate level⁸ see below must accompany the application prior to assessment.

	Inside Greater London ⁹	Outside Greater London
Single Adult	£16,967.04	£14,753.04
Family	£25,323.00	£22,020.00

- Based on the information received and if financial hardship is identified, the learner could be provided/reimbursed with:
 - Contribution toward meal expenditure for College meals above the amount for Free College Meals for additional costs due to dietary needs.
 - Re-imbusement of travel costs upon submission of evidence. e.g. travel tickets/weekly pass or invoices.
 - Other as mentioned above.

The bursary fund is not intended to

- Provide learning support - services that institutions give to students - for example, counselling, mentoring or extra tutoring.
- Support extra-curricular activities where these are not essential to the students' study programme.
- Support general household incomes.

In exceptional circumstances the bursary funds can be used in individual cases of severe hardship, to provide emergency food support whilst a learner attends their study programme. A learner who is considered to be in real need of funding can be provided without undertaking the checks on household income or gathering other evidence that would normally be required. We expect this to be for a small number of learners and would be for a limited period of time whilst an application for free meals could be submitted and processed. For audit purposes the college will retain a record of the number of learners supported in this way, the number of days support is given, the value of the support and the rationale together with evidence of the funds being received by the learner or spent on behalf of the learner.

The agreed standard for a learner's attendance would be expected to be 95% or above should a bursary be awarded. An exception to this may be in circumstances where a learner's health and/or medical needs impact upon their attendance, in which case discretion would be exercised at the Principal of College's authority.

Due to the nature of the learners special needs who attend the College it would be difficult to set a standard for behaviour / attainment that would be meaningful for all our learners.

Please complete the form in Appendix 2 and supply the necessary evidence so that the College can consider the application. A meeting of the College Senior Leadership will be convened to consider your application and usually a decision will be made with 4 weeks.

The outcome of the decision will be advised in writing.

When the Discretionary Bursary Fund is exhausted the College will advise via the College parent meetings and no further applications will be considered until further funding is received from the ESFA.

4. Impact of bursaries on Department of Work and Pension (DWP) benefits

Receipt of bursary funding does not affect receipt of other means-tested benefits paid to families, such as Income Support (IS), Jobseeker's Allowance, Child Benefit, Working Tax Credit, Housing Benefit or, generally, Universal Credit.

If a student is in receipt of Disability Living Allowance (DLA) or Personal Independence Payments (PIP) and Employment Support Allowance (ESA), parents can no longer receive certain household/family benefits for that child, such as child benefit.

5. Complaints/Appeals process

All complaints/appeals must be made in writing:

Complaints/appeals fall into 2 categories which are:

- If the complaint concerns an operational processes or a complaint about customer service this will be dealt with under the St John's College complaints procedure.
If the complaint or appeal is not resolved than it will be passed to the Education and Skills Funding Agency (ESFA).
- If the complaint/appeal concerns 16 to 19 Bursary Fund policy then it will be referred to the ESFA policy manager.
